

## Austin Ridge Discovery Groups:

### **Format**

Early Jesus followers were everywhere – in every place. They didn't have their own buildings so they met in cafes, in marketplaces, public squares, and homes. They met where there were other men close by who may be interested in joining them. In an effort to model the same, we're offering 8 week, 1-hour "discovery groups" close to you in the city.

### **Scripture List**

Each week groups will meet at various locations and times, read a [bible passage](#) and discover together around: Stories of Hope, Journey of Jesus, or The Whole Story – Creation and Jesus.

### **Connect**

- ◇ Catching up: say what you're thankful for and/or what was a challenge this past week
- ◇ Share how your "I wills" went &/or if you got to share what we learned with anyone

### **Discover**

- ◇ Read the passage (around the circle).
- ◇ Have someone put it in their own words.
- ◇ Read the passage again.
- ◇ What stands out to you or what do you like about this passage?
- ◇ What does this passage say about people?
- ◇ What does this passage say about Jesus/God?

### **Go**

- ◇ From what we've read, everyone creates an "I Will" statement that can be measured
- ◇ Everyone thinks about someone with whom they could share what they've learned
